Elevate Your Career Potential

Unlock a rewarding career in the Vertical Transportation industry through our comprehensive training programs, affiliated with Visvesvaraya Technological University (VTU) and supported by our industry partners, Skill India & CGSSC.

The vertical transportation industry is projected to exceed USD 122 billion by 2028—offering students exciting career opportunities in a rapidly growing, future-focused field.

BSVT is opening doors to global career opportunities in the fast-growing vertical transportation sector.

Prepare for High-Demand Roles

“The Vertical Transportation industry is expected to create over 100,000 new jobs globally by 2028, offering lucrative opportunities for skilled professionals.

Prepare for high-demand roles in designing, maintaining, and innovating elevators, escalators, hydraulic escalators, and multilevel parking systems.

Unparalleled opportunities to keep our modern world moving efficiently and safely.”

Gain Knowledge and Expertise

Training programs tailored to offer both theoretical knowledge & practical skills, ensuring students are fully equipped for success.

Alumni benefit from exclusive career opportunities and strong industry connections, significantly enhancing their career and employment prospects.

By collaborating with Skill India, BSVT will generate additional support for the Vertical Transportation industry. Students can confidently elevate their careers and achieve professional success across all mediums.

Learn from Industry Veterans

BSVT's curriculum is designed by industry veterans with decades of experience.

Learn the latest technologies & best practices - In a classroom filled with invaluable insights and real-world knowledge.

Get hands-on practical sessions, theoretical classes, and real job internships.

Gain the skills, confidence, and experience needed to excel in a dynamic and rewarding career in Vertical Transportation.
